Izjava o politici za integrirani sustav upravljanja

Carlsberg Supply Company Izjava o politici za naš Integrirani sustav upravljanja (IMS) koji pokriva zdravlje i sigurnost, kvalitetu, sigurnost hrane i okoliš

Kao dio Carlsberg Group, Carlsberg Supply Company (CSC) se zalaže za isporuku proizvoda i usluga po najvišim standardima kvalitete i sigurnosti i zadovoljavanja potreba i očekivanja svih zainteresiranih strana i postizanje visoke razine zadovoljstva kupaca.

CSC menadžment tim je posvećen ispunjavanju svih važećih zakonskih propisa, međunarodnih standarda i politika Carlsberg Grupacije. Mi to činimo na svim mjestima i tržištima na kojima Carlsberg djeluje i osiguravamo da su upravljanje zdravljem i sigurnošću, kvalitetom, sigurnošću hranom i okolišem temeljni dio našeg poslovanja.

Zdravlje i sigurnost

CSC poduzima sve moguće korake kako bi uklonili, smanjili i kontrolirali potencijalne rizike za zaštitu zdravlja i sigurnost naših zaposlenika, izvođača, dobavljača i posjetitelja svih CSC pogona i objekata.

Kvaliteta

CSC proizvodi i isporučuje pivo i pića, ispunjavajući sve zahtjeve kvalitete Carlsberg grupacije i sve važeće zakonske i međunarodne standarde kvalitete.

Sigurnost hrane

CSC se obvezuje na korištenje proizvoda, materijala i tehnologija koje su sigurne.

Okoliš

CSC djeluje na načine koji su održivi za naš okoliš, klimu i zajednice u kojima poslujemo.

Policy Statement for Integrated Management System

Carlsberg Supply Chain Policy Statement for our Integrated Management System (IMS) covering Occupational Health & Safety, Quality, Food Safety and Environment

As part of the Carlsberg Group, the Carlsberg Supply Company (CSC) is committed to delivering products and services of the highest standards of quality and safety and to meeting the needs and expectations of all stakeholders and achieving a high level of customer satisfaction.

The CSC Management Team is committed to meeting all applicable legal requirements, international standards, and Carlsberg Group policies. We do this in every location and market where Carlsberg operates and make occupational health and safety, quality, food safety and environmental management a core part of our business operations.

Occupational Health & Safety

CSC takes all steps possible to eliminate, reduce and control potential risks to the occupational health & safety of our employees, contractors, suppliers, and visitors to all CSC sites and facilities.

Quality

CSC produces and supplies beer and beverage products meeting all Carlsberg Group quality requirements, and all applicable legal and international quality standards.

Food Safety

CSC commits to using products, materials and technologies that are safe.

Environment

CSC acts in ways that are sustainable for our environment, climate, and the communities where we operate.

Philip A. Hodges
